## Meet the international maritime & offshore industry in Constanta

From 13-15 May 2014, Europort Romania will open its doors for maritime professionals from shipyards, sea and river ship owners, marine equipment trading companies, port authorities, salvage companies, navy authorities and marine designers; from Romania as well as from other Black Sea countries.

During 3 days some 40 international maritime companies will present their latest products and services in the field of propulsion, automation, deck equipment, integrated bridge management, safety systems, cranes, water treatment, hydraulics, communication systems, electrical systems, ventilation and pumps, to mention just a few. [Click here](#) for an overview of the exhibitors including company profile.

Be part of this unique networking event and download your free entrance ticket [here](#).

## Official opening ceremony

We kindly invite you to join the official opening ceremony of Europort Romania on Tuesday 13 May at 12.00 hours in the foyer of Tennis Club IDU Constanta. The ceremony will be attended by industry leaders and county officials. We are also honoured that Mr. van Bonzel, the Ambassador of the Kingdom of the Netherlands will perform the official ribbon cutting ceremony.

## Networking reception

As is tradition The Europort Romania networking reception will take place at the end of the first exhibition day, Tuesday 13 May at 17.00 hours in Casa Ana Restaurant in Constanta. This reception gives you the opportunity to meet and network in an informal atmosphere. [Click here](#) for the invitation.

## Practical information

Europort Romania takes place from 13 – 15 May in the IDU Hall in Mamaia, Constanta.
