

## SEMİNERE DAVET

23-26 Mart 2011 tarihinde İstanbul Expo Center (Yeşilköy)'de düzenlenecek olan EUROPORT İSTANBUL fuarında, 24 Mart 2011 tarihinde, NORSAFE firması ile ortaklaşa düzenlenecek "FOCUS ON LIFEBOAT SAFETY" konulu seminerde değerli katılımlarınızı bekleriz.

Bu seminerde özellikle artan filika ve matafora kazaları sonucunda alınan önlemler ve ilgili regülasyonlar gündeme gelecektir.

- ❖ FİLİKA KAZALARI NEDENLERİ ve İSTATİSTİKLER
- ❖ KAZALARI ÖNLEMELİK İÇİN NELER YAPILABİLİR?
- ❖ EĞİTİM VE KURSLARIN ÖNEMİ
- ❖ REGÜLASYON VE YENİLİKLER

Lütfen seminer katılım formumuzu en kısa sürede doldurup, fax veya email ile tarafımıza göndermenizi rica ederiz.

Saygılarımla / BEST REGARDS

## "FOCUS ON LIFEBOAT SAFETY"

*Place:* ISTANBUL EXPO CENTER (EUROPORT 2011)

*Date:* 24.MARCH.2011

*Time:* 16:00 - 17:00

*Presenter:* **Mr. Nils-Arild Henriksen (Project Manager / Norsafe AS.)**

Representing Norsafe as, one of the world leaders in lifeboat manufacturing and maintenance. Norsafe was established in 1903 under the name Jørgensen and Vik as a lifeboat manufacturer. Norsafe was the for-runner in developing totally enclosed lifeboats and free fall lifeboats! Norsafe is today a major contributor to the safety of our seafarers and offshore workers.

Nils-Arild Henriksen have been working in the marine industry In different positions and companies since 1971 and have an Chief engineer degree. Nils-Arild Henriksen is involved with Norsafe development of new on-load hook release system and that this are complying with current and forthcoming regulations. Further he is the Principle Engineer Group leader within Norsafe. Dealing with maintenance procedures and work in order to keep all lifeboats up to standard and safe.
