## Common Maritime Agenda for the Black Sea 2021 Stakeholder Conference

Towards CMA projects for a resilient and sustainable blue economy in the Black Sea

22 November 2021, 14.00 – 17.30 EET

### DRAFT AGENDA

**13h30 – 14h00** Registration to the on-line platform

**14h00 – 14h10 Introduction**

- Welcome by the 2021 CMA Turkish coordination
- Key message - **Charlina Vitcheva**, Director-General, DG MARE

**14h10 – 14h40** Plenary session 1: **Taking stock of achievements and looking ahead, towards projects supporting the sustainable blue economy in the Black Sea**

*This initial panel discussion sets the scene of the regional conference by offering an overview of some of the main achievements and actions promoted in support of a sustainable blue economy across the Black Sea region, related challenges, opportunities as well as the lessons learned, while discussing the main future perspectives, promoting projects and fostering further regional synergies.*

**Moderation:** **Petra Gombalova**, Head of Division, Eastern Partnership, Regional Coop. and OSCE, EEAS

- **Elisabetta Balzi**, Head of Unit, Healthy Ocean & Seas, DG RTD
- **Ambassador Lazar Comanescu**, Secretary General BSEC PERMIS
- **Stavros Kalognomos**, Balkan and Black Sea Commission Executive Secretary, CPMR
- **Subutay Yuskel**, Head of Department, Ministry of the Foreign Affairs of the Republic of Turkey

**14h40– 15h00** Plenary session 2: **Cross fertilisation across sea basins**

*Insights on progress in supporting sustainable blue economy from the two other European sea basin strategies will be shared, providing useful elements that can inspire CMA implementation with additional comments from the upcoming 2022 CMA Georgian coordination.*

**Moderation:** **Christos Economou**, Acting Director Maritime Policy and Blue Economy, DG MARE

- **Daniele Bosio**, Coordinator, Maritime Affairs and Security, Ministry of Foreign Affairs of Italy, WestMED Co-President (TBC)
- **Dymphna Keogh**, Maritime Affairs Attaché, Department of Foreign Affairs of Ireland, Atlantic Action Plan (TBC)
- **Lasha Inauri**, Head of Department, Ministry of Environmental Protection and Agriculture of Georgia, 2022 CMA Georgian Coordination

**15h00 – 15h10 Introduction to project hackathon parallel sessions**

*A brief explanation of the hackathons will be provided by the BSAM Central Team. The aim of the hackathon sessions is to further engage regional stakeholders in the discussion on project ideas that emerged during previous CMA events at national and regional levels.*

**15:10 -15:15 Technical break (shift to parallel session rooms)**

**15:15 – 16:10 Project hackathon parallel sessions**

**Hackathon session on CMA Goal 1, [healthy marine and coastal ecosystems](#)**

*Among the main priorities under this goal are the protection and sustainability of the **marine ecosystem**, **reduction of marine pollution**, **support to innovative marine research infrastructures** and **effective environmental monitoring and observation**.*

### Introduction and moderation: **Black Sea Commission**

Project ideas to be discussed during the hackathon session

- **Establish a network between existing Marine Protected Areas (MPAs)**
- **Foster digitalisation and maritime high-techs devices in ports for water/air/environment quality and safety monitoring issues**

Final Q&A session with questions/comments for the participants

### **Hackathon session on CMA Goal 2, competitive, innovative and sustainable blue economy**

*The CMA identifies innovative business models, digital connectivity, as well as blue skills and blue careers as essential engine for sustainable innovation and competitiveness of the region, while maritime **transport and coastal and maritime tourism** represent a crucial segment of the regional economy*

### Introduction and moderation: **International Centre for Black Sea Studies**

Project ideas to be discussed through the hackathon session

- **Set-up a network to boost local green ports through coordinated pilot initiatives**
- **Support local strategies for digital tourism in coastal and maritime areas, and as an opportunity to foster potentials for alternative tourism (e.g. underwater cultural heritage)**

Final Q&A session with questions/comments for the participants

### **Hackathon session on CMA Goal 3, sustainable investment in the Black Sea blue economy**

*A sustainable blue economy for the Black Sea requires support actions in terms of financial and business support. The CMA identifies several priorities in this area, such as a greater access to sustainable financial resources, as well as full support to entrepreneurship and clusters.*

### Introduction and moderation: **BS CONNECT**

Project ideas to be discussed through the hackathon session

- **Encouraging business hubs, business labs and accelerators, as well as regular events for networking, matchmaking between businesses in the blue economy across the Black Sea**
- **Supporting existing maritime clusters, as well as new generation innovation clusters, to improve the cooperation across the region, promoting SMEs and start-ups oriented towards the circular and blue economy**

Final Q&A session with questions/comments for the participants

### **16h10 – 16h20 Break**

### **16h20 – 17h00 Plenary session 3: Financing project opportunities for CMA implementation**

*By building on the discussion held throughout the regional conference, main donors and financing actors will discuss challenges and opportunities for financial support of project ideas.*

Moderation: DG NEAR

- DG REGIO/Interreg Next Black Sea Basin
- DG MARE
- World Bank
- Black Sea Trade and Development Bank – TBC
- EBRD
- EIB – TBC

### **17h00 – 17h15 Plenary session 4: Wrap-up of the project hackathon sessions**

Wrap-up of the main outcomes of the project hackathons.

- Hackathon sessions moderators

### **17h15 – 17h30 Conclusions and next steps**

- **Subutay Yuskel**, Head of Department, Ministry of the Foreign Affairs of the Republic of Turkey, 2021 CMA Turkish coordination (TBC)
- **Christos Economou**, Acting Director Maritime Policy and Blue Economy, DG MARE
